TRADEPOINT KITCHENS

NEW Sinks & Appliances

Look out for the new sinks & appliances

Spaces

Our easy to use design tool for you & your customers. Ask in-store for a demonstration now!

Kitchens Brochure

Use our Kitchens brochure to give your customer the inspiration to create the right kitchen for them. No prices means you can make the most of our dual quoting option.

Dual Quoting

Get two quotes, one for your customer with the retail prices, and one for you with your trade prices.

Stocked In Store

We have a wide range of kitchens stocked in store & available for you to take away today. Plus we can deliver direct to site or home.

Take away today

24 Hour Remedial Service

Missing something from your kitchen? Call the number below to have a replacement sent to you within 24 hours!

CALL: 0333 004 9999

Eastleigh. SO53 3LE

How to pay

TradePoint accepts all major credit and debit cards.

Guarantees

We offer up to a 10 year product guarantee on our kitchens and bathrooms. We only choose the leading manufacturers who are best in class. They use high grade materials and carry out rigorous testing to British and European standards so we can offer them with confidence and long guarantees.

Returns policy

All products are covered by our 45 days returns policy. If you return a product unused, in saleable condition in original packaging, within 45 days of purchase (or delivery where applicable) we will exchange the product or issue a refund based on the original method of payment. Please keep your receipt. Terms and conditions can be found at the back of this price guide.

SINKS

Our range explained

Available in a wide range of styles and finishes, you can choose a sink to suit your kitchen.

Stainless steel

Stainless Steel sinks are practical, durable and easy to maintain with the stresses of everyday use. They are highly resistant to chipping and cracking whilst looking stylish in your kitchen.

Linen finish stainless steel

Linen Finish Stainless Steel sinks offer all the features of standard stainless steel with the additional benefit of being scratch resistant due to the honeycomb texture.

Composite quartz

It's the real quartz added during the manufacture that gives composite sinks their durability. They withstand very high temperatures and are highly scratch resistant.

Resin

Constructed from a high quality made material, resin sinks offer high resistance to everyday wear and tear, whilst giving the look and feel of a composite material on a budget.

Ceramic

Handcrafted and baked fire clay, ceramic sinks are silky to the touch and wipe down easily after use without staining.
