

Supplier name or trade mark	GoodHome 
MODEL:	FDP15-1066R5
Sound power levels	63(dB)
Refrigerant	R290 / 70g
GWP	3
<p>Refrigerant leakage contributes to climate change. Refrigerant with lower global warming potential (GWP) would contribute less to global warming than a refrigerant with higher GWP, if leaked to the atmosphere. This appliance contains a refrigerant fluid with a GWP equal to 3. This means that if 1 kg of this refrigerant fluid would be leaked to the atmosphere, the impact on global warming would be 3 times higher than 1 kg of CO₂, over a period of 100 years. Never try to interfere with the refrigerant circuit yourself or disassemble the product yourself and always ask a professional.</p>	
For cooling mode:	
EER	2,6
Energy efficiency class for EER	A
Cooling capacity Prated	1,5 kW
For heating mode:	
COP	--
Energy efficiency class for COP	--
Heating capacity Prated	--
Hourly electricity consumption QSD	0,6 kWh/60 minutes
Hourly electricity consumption QDD	--
<p>Energy consumption "0,6" kWh per 60 minutes, based on standard test results. Actual energy consumption will depend on how the appliance is used and where it is located.</p>
